Timing Chip & Number

Your timing chip is located under the folded section of your number, please do not unfold or tamper with your number.

Your number should be visible at all times, worn on your front at chest height and secured in all 4 corners with the pins provided or magnets.

Numbers should not be worn on your back or on tri belts as this can interfere with your time being read correctly.

Please remember not to cover/ block your chip & number with your arm when turning on/off watches and the start/finish area.

Please do not tamper with your race number in any way as this may prevent your time from being read.

Transfers

It is not possible to make any transfers online. Transfers can take place in person at the above collection dates and times at a cost of 5euro. If you received your bib in the post you must give this to the new participant.

NB: Anyone found to be running under another person's name will be disqualified.
